

# Discover Manufacturing Week 2023 November 6-10, 2023

Expose your students to  
**a world of possibilities!**

Sign up to bring your students to:

- Tour local manufacturing facilities
- Experience state of the art technology
- Interact with Manufacturing professionals and learn about exciting careers!

**Join us and be part of the most successful  
Manufacturing Week event in the nation!**

**Register Today: [discover-manufacturing.com](https://discover-manufacturing.com)**

*Educators, you could win a  
\$50 Amazon gift card*

**Contact your local ISD champion  
to learn more:**

*"It was interesting to learn about the different  
processes that went into creating a product and selling  
it to a customer. Also thought it was really cool to see  
how many different people with different skillsets were  
involved in that process."*
